

TA Prep Health and Safety Practices

MyMedBot Health Assessment App

- Health questionnaire app required for all teachers, staff, and students before entry into the school building.

Face Masks

- All teachers, staff, students, and visitors will be required to wear face masks in the school building at all times.
- Additional masks will be provided for teachers, staff, and students should they need a replacement.

Limited Access

- Only teachers, staff, and students who have completed and have been granted entry by the health assessment app will be allowed into the school building.
- ***Parents, guardians, and visitors will be allowed entry into the building on a limited basis.***
- To speak with the business manager, principal or registrar please **make an appointment.**

Hand, Bathroom, and Personal Hygiene Practices and Education

- Hand sanitizing stations have been set up throughout the building, classrooms, and offices.
- Handwashing will be encouraged throughout the day and required before and after lunch.
- Thorough and frequent cleaning and sanitizing of bathrooms and the school building throughout the day.
- Only 1 person will be allowed in bathrooms at a time.
- Students will be instructed in proper mask wearing, proper handwashing, and how to properly cover their cough and sneeze.
- Student and parent orientations on safety protocols and procedures.
- Students (teachers for lower grades) will wipe their own desks.

Social Distancing

- All teachers, staff, and students will be required to stay 3 feet apart.
- Students' desks will be 3 feet apart.
- Signage has been placed throughout the building to remind students to keep their distance

TA Prep Health and Safety Practices Continued...
